FIRST-EVER U.S. SIBLINGS DOUBLES TOURNAMENT HELD AT SEA ISLAND RESORTS

Sea Island Resorts hosted top-ranked teams for the first-ever professional U.S. siblings doubles tournament on October 11, marking the beginning of the 2007-08 North American doubles schedule.

The field reflected internationally recognized competitors, including the winning Australian brother duo, Dan and Matt Jensen, second-place brother-brother team of Tim and Chris Wyant, both Sea Island members and City Squash supporters, and winning sister-sister team of Narelle Tippett Krizek and Natarsha Tippett McElhinny. Other teams comprised Meredith Volmer and sister Paige King, brothers Marshall and Harrison Sebring, sisters Benay and Dana Betts and the brother-sister pair of Preston and Meredith Quick.

"Squash is new to the South and to Sea Island so we are delighted to have hosted the first ever national siblings doubles squash tournament. To attract the caliber of players we have in our first-ever event is extremely promising for the future of the tournament, the Sea Island squash program and for the growth of squash in the South," said Ben Gould, Sea Island's Director of Squash and currently the number-one ranked hardball squash doubles champion.

In May 2008, Sea Island will host the last professional doubles squash tournament of the season and the first ever ISDA ranking event in the Southeast, the Sea Island Open.

RED HOT ATLANTA MASTERS

The Atlanta Masters was a total sell out and not event a seat was available for the final between the current world number 1 Amr Shabana from Egypt against the former world number one John White from Scotland. With 130 packed squash enthusiasts they were in for a treat and a treat was just what they got from these two world class players.

Squash was at its finest with both players entertaining the crowd with shots and jokes. The 90 minute game demonstrated why Amr is the number 1 player in the world as he squeezed out 12-10 in the fifth. All spectators were amazed how athletic and flexible these players are. After the game both players took the time to answer any questions from the crowd.
