SESRA launches district-wide ladder:

A reminder that SESRA has launched a district-wide squash ladder powered by US Squash technology for all SESRA members. The ladder will run from October to April with prizes for the most active participants. Challenges are be issued and scores recorded online at the US Squash website.

SESRA Citywide Ladder – Rules

- 1) Ladder. The ladder will run fall and spring from October to April. Results will count toward each player's US Squash ranking.
- 2) Eligibility. The ladder is open to all SESRA members.
- 3) Entry fee. None.
- 4) Structure. When a player issues a challenge to a player higher on the ladder and wins the challenge, he/she takes the position of that higher player on the ladder and others are adjusted downward. If the higher player wins, no change occurs.
- 5) Matches, scoring. Best 3 of 5 games, 11 point PAR scoring.
- 6) Match Play: ladder matches have NO club seniority or status. SESRA strongly recommends that ladder matches be played at non-prime court times. You are subject to local club rules and guest restrictions when playing a match. Guest restrictions vary over time and from club to club. Ladder participants are responsible for contacting their club pro to understand these rules.
- 7) Challenge matches will take place at the challenged players club, unless both players agree to play elsewhere. Guest fees are to be paid by challenger.

Reminder of Charlie Johnson's support of SESRA:

Support those who support you! We continue to be grateful that we have the support of Charlie Johnson's Squash Shop (www.cjsquash.com) which gives SESRA members a **5% discount** on orders under \$100 and a **10% discount** on orders over \$100.

Here's how it works:

When you place your order, in the comment/memo box enter SESRA and your USSRA membership number. The discount will be taken before processing.

Hope this continues to be of interest.
